European Light Microscopy Initiative 2024 (elmi2024)

4 - 7 June 2024, Liverpool, UK

The event will encompass:

- a blockbuster **meeting programme** covering all the latest techniques, applications and technology. Topics include: New Technologies, Imaging Across Scales, Super-resolution and Nanoscale Imaging, The AI Revolution, The Science of Tomorrow Today, and Multimodal Imaging
- a wide range of companies showcasing their latest technology and running **workshops** timetabled outside of the main meeting programme;
- an accompanying **exhibition** in the purpose-built hall alongside posters, lunches and dinners (excluding the event dinner with networking which will take place close by at the Rum Warehouse).
